TRUMAN WINS PRESIDENCY

DEMOCRATS ALSO TAKE OVER CONGRESS

DEMOCRATS GIVE TICKET BIG MAJORITY IN MILAM COUNTY

LANDSLIDE VICTORY SWEEPS COUNTRY

THE POPULAR VOTE

Truman	19,489,000
Dewey	18,452,000

Harry S. Truman, the Missouri farm boy, who became President of the United States when the late Franklin D. Roosevelt died in the little White House at Warm Springs, Georgia, when the world was still at war, was President in his own right Wednesday in one of the most sweeping victories ever accorded a Democratic candidate.

Senator Alben Barkley of Kentucky, Vice Presidential Candidate along with President Dewey, swept Kentucky in to the Democratic column as early as 9 p. m. Tuesday. Mr. Barkley who will preside over the United States Senate had made a hard campaign along with his chief.

With the Democratic victory and the sweep of both houses of Congress Sam Rayburn of Texas will be restored to the Speakership now held by Congressman Joseph Martin.

Shortly after 10:20 a. m. central standard time, Thomas E. Dewey from his headquarters in the Roosevelt Hotel in New York, conceded victory to President Truman and sent his congratulations to the Chief Executive who was resting at his sprawling old home in Independence, Missouri.

Senator Harold McGrath of Rhode Island, Chairman of the Democratic National Committee, a few minutes ahead of Mr. Dewey made a statement claiming victory shortly after the President had taken a lead in California the home state of Governor Earl Warren who ran for Vice President on the Republican ticket.

Senator McGrath said that Mr. Truman now had sufficient electoral college votes to win. The Republicans were waiting final results in Ohio where President Truman had also gained a victory.

Senator McGrath said that the issues were settled by American Labor, Farm votes and the American housewives coupled with the forthright campaign of Mr. Truman and added that the Democratic party now in control of Congress would meet the challenge laid down by the great mandate of a sweeping victory.

Mr. Dewey in congratulating the President said: "My heartiest congratulations on your election. I urge all Americans to unite behind you to keep our nation free for the Peace of the world."

At 11 a. m. after the Republicans had conceded defeat President Truman had apparently won 28 states with 304 Electoral votes. Mr. Dewey had 16 states with 189 Electoral (turn to page twelve)

ARMISTICE PROGRAM HERE NOVEMBER 11

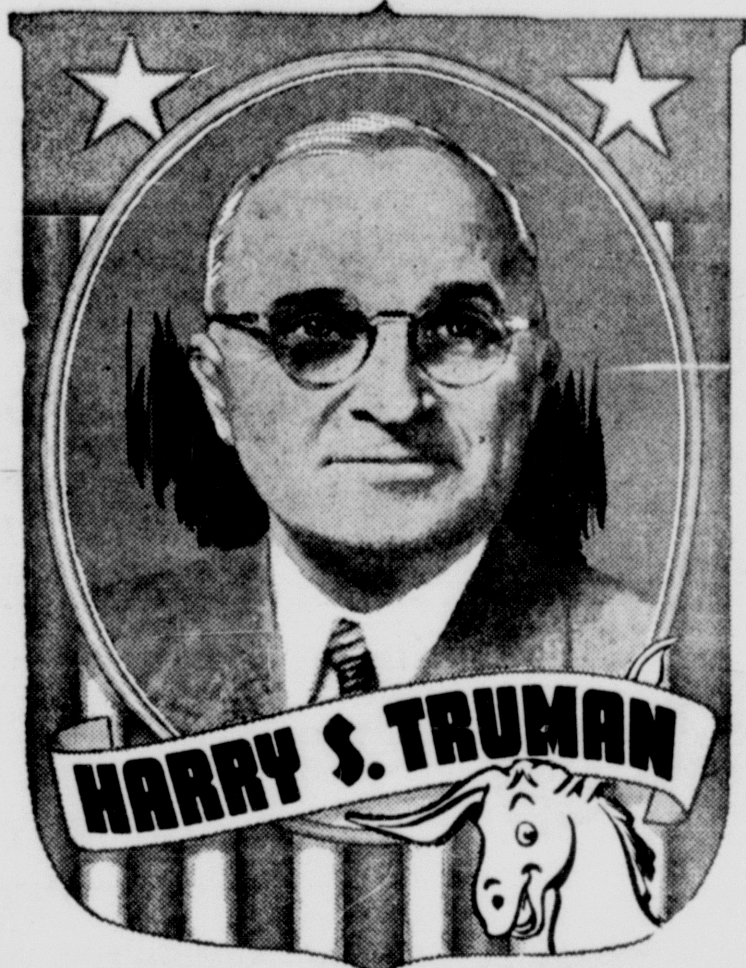

Armistice Day program is being planned by the American Legion, Edwin Post No. 9. A turkey dinner will be served at Yoe gymnasium at which time Senator Jimmy Phillips of Angleton, veteran of World War I, will speak, reports Joe Gerick, commander of the local post.

W. A. Morrison will serve as toastmaster, at the meal which will be served by the VFW Auxiliary.

Legionnaires will attend services at a local church Sunday morning, November 7. An early morning sunrise service may be held on Armistice morning. Plans have not been completed for that meeting.

Disabled soldiers in Veteran hospitals have made poppies to be sold on the Saturday preceding Armistice Day. The proceeds will be used to help widows and families of veterans.

MERCHANTS TO CLOSE ON ARMISTICE DAY

As has been the custom since the first organized celebration of the 1918 Armistice in Cameron business houses will be closed all day.

The Chamber of Commerce early Wednesday issued an appeal to the people of the trade territory to do their shopping early because the business houses will be closed November 11.

The dates for closing are arrived at by a vote of the merchants in a poll conducted by the Chamber of Commerce.

The day in Cameron will be one of usual observance with the ex-service men enjoying a dinner at noon at the school gymnasium. The local posts of Disabled Veterans, American Legion and Veterans of Foreign Wars will co-operate in a program.

WATER AND SEWERAGE EXTENSION APPROVED

A \$120,000 bond issue has been approved by the people of Rockdale by a majority of some 4 to 1.

The bonds are to be sold and the proceeds will go to the extension of water and sewer lines in the city.

Rockdale owns its own water system.

The city's growth has made it necessary to extend its water system to include new patrons and to give the city an adequate sewerage system.

The plan carefully prepared and submitted to the people will give the city much needed improvements and the example of co-operation and progress is being commended by the people of Cameron who appreciate the progress our neighboring city is making.

KEMP MEMORIAL TO BE DEDICATED HERE

(From the Daily)

The Jeff Kemp Memorial will be dedicated in the Sunday morning service at the Methodist Church.

The memorial consists of the organ shield and illuminated cross, a gift of Mrs. Rosa Kemp Adams, sister to the late Judge Jeff T. Kemp.

Appropriate bronze plaques will be placed in the foyer of the church. Judge Kemp served the church in official capacity from 1891 to 1946.

Judge John Watson, district judge, will pay tribute to Judge Kemp, and an appropriate service of dedication has been planned by the pastor with special music.

Burkes-Howard Co. Schedule Big Free Family Party Here

The Burkes-Howard Company, International Harvester dealers have scheduled another of their Family Party entertainments to be held in the auditorium of the high school on Saturday, November 6 beginning at 7:30.

The party is free and the entertainment program features five outstanding artists of stage and screen. There will be music, comedy, magic and other specialties from the stage of the auditorium.

These parties are free and are family entertainments and Mr. Burkes and Mr. Howard extend you a cordial invitation to be their guests on November 6.

One of this year's high school graduates, Berry C. Caldwell, Jr., of Cameron enlisted in the Air Force to further his education. The son of Mr. and Mrs. B. C. Caldwell, he expressed a desire to become a radar mechanic.

LIGHT VOTE CAST BUT MAJORITY IS HEAVY

With substantially half the vote in from Milam County's 47 voting Precincts the Democrats as was apparent a week ago swept to a decisive victory.

Since no telephone arrangements had been made as was the case in the Primary elections, the returns would not be available as quickly, however more than 20 boxes were accounted for at around 10 a. m. Wednesday and the office of County Clerk Homer Nabours was making good progress in tabulating the returns.

Miss Bessie Dunham was very busy receiving the returns and putting them down on the tables. As yet no official totals are available on the Proposed Constitutional Amendments in Milam County. They appear to have carried over the state.

The vote in Milam county was light as expected with only about 700 votes cast in the two Cameron Precincts, largest in the county.

The Cameron Daily Herald tabulated 2189 votes for quick inclusion in the afternoon edition as follows:

President Truman 1775; Thomas E. Dewey 384; J. Strom Thurmond 170; Henry A. Wallace 4.

Lyndon Johnson ran within 75 votes of President Truman in the first tabulation in Milam County. Based on the 2189 votes tabulated Johnson had 1700 and Jack Porter the Republican had 497.

E. P. BRENNAN DIED IN SAN ANTONIO MONDAY

E. P. Brennan, former resident of Milano, died at his home in San Antonio at 9 p. m. Monday, November 1.

News of his death was received in Cameron by friends early Tuesday.

The body was due to arrive in Rockdale at 11 a. m. Tuesday and funeral services were to be held at the Catholic church in Hearne at 10 a. m. on Wednesday, November 3. Interment will be made in the cemetery at Milano.

Legion Meeting At Hut To-Night

Plans for the annual Armistice Day Dinner in Cameron on Thursday, November 11 will be made at the regular meeting of the Edwin Hardy Post No. 9 at the Hut in Wilson-Ledbetter Park tonight.

Commander Joe Gerick requests that all members of the post be present for this important meeting. The meeting is to begin at 7:30 p. m.

Following the meeting refreshments will be served. The Legion plans a celebration on Armistice Day and a big dinner for all ex-service men and guests.

Tax Payments Here Reported High; Poll Taxes Are Lagging

Tax payments are reported in favorable volume here and far exceed the payments of 1947 up to this time, it was said by Valter White, tax collector.

Poll taxes are lagging. This situation may be more normal than appears on the surface since 1949 is not political year.

Early mass payment of taxes is regarded as a good sign both of money available and a satisfied population of property owners.

Early payment of taxes avoids the congestion in late January and officials appreciate the co-operation of the people.

JOHN W. WILSON
of Navasota

NEW YORK.—The Brazos country of Southeast Texas is the scene of John W. Wilson's prize-winning novel **HIGH JOHN THE CONQUEROR** published today by The Macmillan Company.

Mr. Wilson is a native of Navasota and an alumnus of Southern Methodist University where he is now Assistant Director of the Office of Information and University Publications. Before the war he was State correspondent for the Houston Post.

HIGH JOHN THE CONQUEROR, 28-year-old John Wilson's first novel, won the recently inaugurated Creative Writing Award given by the Dallas Times Herald. Mr. Wilson's short stories appeared in The Southwest Review, New Mexico Quarterly Review, and Prairie Schooner.

Secretary Marshall To Retire Jan. 1st.

Secretary of State George C. Marshall will retire as head of the State Department on January 1, he indicated in Paris Wednesday.

Mr. Marshall said he had hoped to leave public service for a long time. There was nothing in the world situation or in his relations with President Truman that dictated his course. He simply wants to rest.

Election Is Boost For Texas; Connally And Rayburn Restored

The victory of President Truman and the whole Democratic ticket was a boost to Texas.

Senator Tom Connally, ranking Democrat, will be restored to the Chairmanship of the Foreign Relations Committee and Representative Sam Rayburn of Bonham will be Speaker of the House where he was serving when the Republicans took over.

MRS. ERNEST ANDREWS INJURED ON HIGHWAY

Mrs. Ernest Andrews, formerly of Rockdale, is in a Temple Hospital with a broken leg and head injuries sustained when she was hit by a car on Highway 36 near Caldwell.

Jack Gaines, highway patrolman in Cameron, investigated the accident. Mrs. Andrews in company with two other women was walking along the highway. A car driven by Ellis John Cobb struck Mrs. Andrews.

Mrs. Andrews is the widow of the late Ernest Andrews who was slain by his relative George Andrews in Rockdale in the fall of 1946.

Mr. Cobb, driver of the car, was formerly a resident of Rogers, but now lives in Houston.

Wayne Hobbs, son of Mrs. L. E. Manous of Cameron is ill in Newton Memorial Hospital.

OVERTURN THE HOUSE IN SENSATIONAL LANDSLIDE

The Democratic Party will not have to worry about another "80th Congress".

As early as 10 p. m. Tuesday it had become apparent that the Democrats had swept Congress and will control its organization both in the House of Representatives and in the Senate come January 1.

One of the big issues of the campaign was made by President Truman who plastered the Republican controlled congress for what it had failed to do, even after he had called them into extra-session.

The dopesters and poll makers were about as glum as could be. Nobody seemed able to explain the smashing victory but as the returns mounted it was clear that labor and the farm vote had gone along with Mr. Truman.

Even in Pennsylvania the Republicans lost 11 seats. Based on returns up to 10 a. m. Wednesday it was believed that final results would show that the Democrats took away some 40 seats in the House of Representatives to control that body. The Senate where the Democrats were conceded a chance was overwhelmed also.

No one had a remote idea that the house would fall. So strong was the Democratic sweep that Republican governors fell like grain before the sickle.

The Taft-Hartley labor law proved to be the downfall of many who voted for it. In areas where labor is strong the Democrats went along with Truman who vetoed the bill.

Truman was leading in 27 states with enough electoral votes to give him the Presidency but regardless of who won the election for President the Democrats will organize and control the Congress.

TOTAL FOR OCTOBER IS ONLY \$5089.00

Building in Cameron slumped considerably in October with the total of permits standing at \$5089.00 it was disclosed at the office of W. H. Stafford, tax collector.

It was expected that the total for the year would exceed that of 1947. This would be due to increased volume of materials and a more plentiful labor supply.

The taper off in construction here was typical of even the big construction centers.

Dallas reports that contractors are no longer paying \$2.00 an hour bonus for bricklayers and the resulting lay off is some 500 with 700 more to be laid off this week. Dallas was far up in the building totals for the nation.

The October building permits in Cameron were in the main for residence construction and repairs.

One of the drawbacks to building in Cameron is the lack of money for financing. FHA loans cannot be made in Cameron because the city council will not pass a required ordinance. Types of construction have to be restricted. Many small cities have adopted such a ordinance and have opened up loan opportunities to many families who want to build.

Scrap Metals Now In Big Demand

G. W. Barr of the Bell Salvage Company announces a new price on tin and scrap metals.

Mr. Barr is advertising for these metals, suddenly become a demand above average. The yards of the Bell Salvage Company in Cameron is taking on extra activity these days.

Mr. Barr says his company is in the market for all kinds of metals, especially tin.

Delphian Club Hears Poems and Book Review Tuesday

Mrs. R. L. Batte and Mrs. W. A. L. Robinson were hostesses to the Delphian Club at the Batte home Tuesday afternoon, October 26.

The rooms were beautifully decorated with fall leaves and yellow Cosmos.

The afternoon was given over to a book review by Mrs. Maurine Amis of the speech department of University of Texas. She reviewed the book "Mama's Bank Account."

Mrs. Batte read and dedicated a poem each to Mrs. Henry Hefley and Miss Mildred Thornton.

The hostesses served pumpkin pie with whipped cream and coffee. Halloween napkins were used to carry out the Halloween motif.

All members and one invited guest Mrs. M. G. Cox were present.

Miss Mildred Thornton is president of the club and Mrs. Ben Reichert is secretary.

The B. F. Bonds' Are Host to Supper Club

Mr. and Mrs. B. F. Bonds entertained the Supper Club Tuesday evening, October 26 at Cato's Cafe. The tables were covered with white linen with a centerpiece of fall flowers.

Following the supper members played bridge at the Bonds home. Mrs. Jim Watson won high score for the ladies with Albert Collins winning high score for the men. An enjoyable evening was spent.

Miss Clara Thomas Hostess to History Club Tuesday

Miss Clara Thomas was hostess to the Cameron History Club Tuesday afternoon. Mrs. John O. Martin was leader and the subject was "Texas Industries."

Following the program, they were invited into the dining room where the hostess served a salad course with hot tea to the 18 members, and five guests, including an out of town guest, Mrs. Doris Newton of Houston. Mrs. Rush Thomas, Mrs. Conn Miller, and Miss Mary Burns and Mrs. George A. Thomas of Cameron, were guests.

The decorations were Marigolds and Dahlias placed at vantage points throughout the home.

Baptist Training Union Enjoys Big Halloween Program

A Halloween Party for the young people's Training union First Baptist church was held on Thursday evening October 28 at the lovely country home of Mr. and Mrs. A. H. Halberdier.

Miss Mary Fanning was social chairman for the party with Miss Aleene Griswold assisting. Transportation was provided through the courtesy of R. A. Griswold.

Refreshments consisted of cocoa and cookies. A number of spirited games were enjoyed.

J. R. Young is sponsor of the group and Miss Aleene Griswold is president of the young people's union.

YOEMEN DEFEAT THE ROCKDALE TIGERS HERE

Coach Leo Jackson used the first string players in only the first quarter, the Cameron Yoemen routed the Rockdale Tigers 59 to 0 here Friday night.

The Yoemen first string scored 27 points in the first quarter.

Coach Jackson left his first string in long enough for each of the backfield men to make a touchdown, the first was in rapid succession, each player trying to outdo the other and get it over as soon as possible.

The line was just as anxious to finish and sit on the sideline and watch the reserves take over as was the backfield, they opened holes in the line that you could drive a wagon and cart at the same time.

On the first play, Braden went off left tackle 50 yards for a touchdown. Zoltz failed to kick the extra point.

As soon as the Yoemen took over the ball following the kickoff, the scored again when Howard Beal scampered 30 yards. Zoltz kicked the extra point.

Later, John Moseley raced 45 yards to the Tiger one, and went over to score on the next play, Zoltz kicked the extra point.

Alton Fuchs also scored in the initial period on a quarterback sneak from the one after making two previous tries, one for 25 yards and the other 6.

At the beginning of the second quarter the reserves took the field and marched on down the field and Hawk scored from the one. Zoltz failed to kick extra point.

Charlie Michalka passed to L. Upnsaid for 35 yards which accounted for another Yoemen touchdown. Wilkinson kicked the extra point.

In the third period, Joe John scored from the five. The try for extra point was no good.

In the last quarter, Hawk scored from the four, Zoltz failed to kick the extra point.

John intercepted a Tiger pass and ran 30 yards to account for the final touchdown. Wilkinson kicked the extra point.

Cameron rolled up 16 first downs, compared to four for Rockdale. The Yoemen made 384 yards from running, while Rockdale made 26. The passing, making a total of 51 yards,

compared to 35 for Cameron.

Outstanding players for Rockdale included G. Jimanea and D. Jackson.

The outstanding player of the evening was a little chap that wears a jersey with the numeral 51, you will see him in every play on either side of the line, and when he hits his opponent you know that his feet will be knocked from beneath him, then he will walk nonchalantly behind his own line and stand with both hands upon his hips and his legs crossed until just before the next play starts, if you don't already know who this 140 pound player is you will find him listed as Grady Allen.

Jim Horelica of Cameron visited Mrs. Earl Hall in Milano Sunday and they visited a brother of Mr. Horelica and Steve Salach in Newton Memorial Hospital Sunday afternoon.

Cameron Junior Squad Defeats Rogers 33 To 0 Wednesday Night

Cameron's Junior football squad continued their fine season record here last night in a 33 to 0 win over Rogers.

The Junior squad has an impressive season record. They have played four games, winning three and losing a heart-breaker to Rosebud. They have made 15 touchdowns, allowing their opponents only 2.

Last night the Cameron Juniors scored the first time they got the ball, Thompson going around right end for 15 yards. A few minutes later they scored again on Halpains' 20 yard run and a bit later Bobby Bisrup went off his own left tackle for 30 yards and a score. The score was

19 to 0 at the half.

Billy Joe Halpains ran the kick-off back 70 yards for a score to open the second half. Cameron started passing game in the latter stages, getting three to receivers, one to Tindall for 15, one to Balcar for 20 and then Thompson hit Halpains in the end zone for a touchdown.

Tackles Dell Rinn and Billy Angell were the defensive standouts along with Captains J. W. Beale and Pete Tindall.

The Juniors will play Rogers here again next week.

Rev. Paul Richardson, junior student in Baylor University was guest speaker at the First Baptist church Sunday in the absence of the pastor, Rev. L. L. Morris who closed a revival at the First Baptist Church in Eagle Lake, Sunday, October 31.

FOLLOWING The YOEMEN

(From the Daily)

Our error: Killeen had played only two conference games up to last Friday night. One against Belton and one against Georgetown, winning the Belton. That brings us to the football menu for Friday night.

The Killeen Kangaroos will play Rosebud in Killeen. That should be a good game but as it looks from here the Kangaroos haven't got a chance against those Black Panthers. The Rosebud team has disposed of its conference competitors in just about the same fashion the Yoemen have been winning, by at least 20 points. In the Taylor game Cameron won 20 to 6 and Rosebud defeated Taylor 21 to 7. That's something like a record for comparative closeness.

Over in Belton the Tigers will entertain the Ducks. The Belton team has not won a single game this year and they are not apt to do very much with Taylor. So far Taylor has been the hardest competition that Cameron has had.

By far the feature game will be at Killeen. There the Kangaroos have the advantage of being at home but that won't help them much. However against Cameron the Kangaroos made a ball game of it despite the fact they lost 40 to 13 but they kept fighting. They scored a touchdown in the last few minutes of play.

The game in Cameron is not a conference affair. Rockdale and Cameron are playing what amounts to an inter-sectional game, but to some extent just a happy fuss between two good neighbors. The Rockdale Tigers were the first team to score on Cameron in 1947. They may do so again but as it looks from here the Tigers are in for a rough evening if the Yoemen regulars play.

The score in the Cameron-Rockdale game should be about what the local coaching staff desires, barring surprises and bad breaks. Next week we move back to the conference schedule and take on the Belton Tigers here. Then Rosebud comes in for the conference final on November 12. The Yoemen still would have one more game and that with the Waco Kittens on November 19.

August Primary Ballots Still Intact In Milam County

Just in case the Senate wants to get the ballots and returns from the August run off primary election from Milam county, they will be available. The ballots and returns have not been destroyed. It has been the custom to destroy returns after 60 days but since the probe is on the August returns will be kept awhile.

County Clerk Homer Nabours has not receive any notice regarding possible use of the Milam county ballots in the probe of the Texas election.

ALL DAY PRAYER HERE

Annual All Day Prayer services were held by women of the Methodist church Wednesday, October 27th with Mrs. Anna Wells leading in the program. A luncheon was served at the noon hour, after which the pastor, Rev. Lee Lemons, administering the sacrament.

Mrs. F. H. Becker of Route 1, Burlington is ill in Newton Memorial Hospital.

Mrs. E. C. Hearne and children have returned to their home in Bryan after a visit with relatives in Cameron.

COUNTY COMMENDED BY CHAMBER SURVEY

Milam County is a three star county again this year from a rating given by the East Texas Chamber of Commerce based on the operation of the government for the year 1947.

Better business methods applied to the business of the county which always operates within its budget are responsible for the excellent condition of the treasury. Increased costs are hitting the county, however, and valuations have been raised slightly.

Here is the comment from the East Texas Chamber as received by The Herald Monday:

Milam county was still in good financial shape at the end of 1947, but feeling the effect of constantly rising costs of operation.

Net operating expenses in 1947 were 6.4% higher than those of 1946, which in turn were 10.8% above those of 1945, which were likewise 2.1% above the 1944 figures.

The Jury and the Courthouse and Jail funds, whose expenditures are comparatively small, have been hearing up fine. But the combined balance of the Road and Bridge funds had dropped from \$29,285 at the end of 1944 to a net overdraft of \$1,179 by the end of 1947. The General Fund cash balance was comfortably large when 1947 ended, but without an annual boost from the Jury Fund it too would have been feeling the pinch.

Increasing valuations have helped some, but the rate of increase has generally been too slow to match increasing costs. The 1947 increase of \$321,315 was larger than any previous gain recorded in recent years and raised the total assessed valuations to \$16.3 million—the highest since 1931.

The county-wide tax rate continued at 75c for the third successive year, but substantial reductions in road district levies for debt retirement made the combined county-road tax for many taxpayers the lowest in many years.

The record of tax collections lags a bit behind the East Texas average. Where the average East Texas county collected around 93% of its 1946 taxes before delinquency, Milam county got only 89.6%.

But the debt position of the county is excellent—that is, except for the Road and Bridge overdraft which makes up a part of the debt. In spite

of new Road and Bridge time warrants totalling \$22,525 and the new overdraft, net debt dropped \$38,752 from the figure of a year earlier. It represented only 0.5% of current assessed valuations. Of the total debt, the State will pay about 28.3%.

Milam county has long enjoyed a conservative and business like management, as reflected in its low debt and erasonable tax rate. It is to be hoped that it will be able to eliminate the small Road and Bridge overdraft with 1948 operations.

Rain Trace Here Is Hopeful Sign; May Get Bit Cooler

Cameron has .2 inches of rain Sunday night and again Monday morning a light shower, it was reported by L. W. Smith, government observer at the Community Public Service Company.

Low pressure areas in New Mexico had moved into the panhandle and strong south winds resulted. Moisture clouds were stacking up but there was no indication of any weather change except that it might be slightly cooler by Tuesday, but nothing certain.

It is considered bad luck in the Dominican Republic to drink coffee while standing.

Two Cases Set For Trial November 22

Two cases have been set for trial in District Court here on November 22.

Earl Whittaker is charged with forgery by alteration. He raised a check given to him by Mrs. Rosa Kalia of Rockdale.

Finnie R. Jackson is charged with conversion by bailee. He borrowed a trailer from Ernest L. Baring of Rockdale and took it to Burleson county and sold it.

Mr. and Mrs. Frank Zalesky of Cameron are the proud parents of a son born at St. Edwards Hospital, October 22, 1948. The baby weighed eight pounds and 2 ounces and has been named, Daniel Jo.

Mrs. Robert Curtis of Houston spent the week end here with her mother, Mrs. Anna Kirk and other relatives in Cameron.

FORECAST IS SHOWERS FOR CAMERON AREA

(From the Daily)

Light rains have been falling in West Texas for the past 24 hours it was disclosed at noon Thursday in the forecast of the weather.

These rains had extended as far south out of the Panhandle to San Angelo and in Oklahoma as far south as Wichita Falls.

There was no change in temperature and none was forecast although these elements said a cooler air wave was in the making.

Forecast for East Texas and the Cameron area was for light showers and cloudy weather Thursday night and Friday. The showers were also likely to occur again Thursday night and Friday in West Texas.

In the Dallas area the forecast was for cloudy and showers late Thursday night.

The Cameron area and central Texas was plagued with the worst drouth since 1925. As the weather chart looked at noon Thursday there was no relief in sight, only possible showers.

Mrs. Chas. C. Smith Called To Lead New Nu Phi Mu Sorority

Mrs. Charles C. Smith, Jr., has been chosen to serve as Advisor to Texas Alpha Lambda Chapter, Unit 1, of Nu Phi Mu Sorority, which is to be officially opened here in Cameron sometime this week.

In the office of Advisor, Mrs. Smith becomes the direct representative of the International Headquarters of Nu Phi Mu, which is located in Kansas City, Missouri.

Miss Rosalie Ramsay, who extended the invitation to Mrs. Smith, is the International Representative of the sorority. Miss Ramsay said due to the great interest of Mrs. Smith in helping young girls to follow "Paths of Loveliness" through cultural training, she is perfectly suited to lead and guide this new chapter.

Mr. and Mrs. Lora Johns of West Columbia were visitors in the home of Mrs. L. R. Johns over the week end.

FORMER STUDENTS IN REUNION SATURDAY

Former graduates and students of Cameron high schools were here Saturday for their annual reunion.

Albert Collins, President of the Alumni Association, said Monday that about 150 former students had registered for the reunion and of the number some 75 were from out of town.

The program was carried out as scheduled with registration, a reception tendered by the Senior Class at Yoe High School and class meetings in the afternoon and a dance at night.

Mr. Collins said that no date was set for the 1949 reunion and a meeting is to be held within the next few weeks to determine the date. Former students at the meeting Saturday left the matter of the date up to local members of the alumni association.

The committee named by President Collins to nominate officers for the new year, did not report and the matter of electing officers will also come up for consideration at the meeting to be held soon.

Since the matter of arrangements must necessarily be the duty of local former students and school authorities, the meeting to be called soon will arrange the details of the 1949 meeting.

Hicks Place Bids For Camp Swift Buildings

Chas. M. Hicks, county superintendent of schools made an official business trip to Camp Swift this week. He made a bid on two buildings which will be used to replace the Watson Branch School recently destroyed by fire. One of the buildings will be moved intact and the other will be used to repair and divide the first into rooms, if he is able to secure the materials.

STALIN SAYS POWERS ARE INCITING WAR

Joseph Stalin, Russian Dictator, Thursday in a statement issued from the Kremlin, condemned the Western Powers as war mongers and said that the United States, Britain and France are inciting war against Russia.

Stalin discussed the Berlin situation at length. He said that an agreement had been reached in Moscow at the conference table, that Russia was to raise the Berlin blockade and that Western powers were to agree to the use of Russian currency in the capital which is in the Russian zone. Stalin said that the United States, Britain and France have broken the agreement and that Russia had no alternative save to keep the blockade in force.

The Western Powers have charged that Russia sought by use of Soviet currency to control Germany and to put forward a new form of economic aggression.

The Red Dictator may have had proposed Western Powers Alliance against Russia, due to come up on November 2nd in mind, looked very impressive.

Mrs. A. J. Anderson who has been making her home here with her sister Mrs. Gregory, left last week for a visit with relatives in Houston, Freeport, Port Arthur and other places.

Buick's 5,000,000th Passenger Car

Buick General Manager Harlow H. Curtice drives the 5,000,000th car—a 1948 model Roadmaster sedan equipped with the new Dynaflo transmission—off Buick's assembly line at Flint, Mich., in the presence of top company executives. The production milestone was reached 45 years after David Buick built the first

car. With Curtice in the photograph are, left to right, C. A. Chayne, chief engineer; E. T. Ragsdale, assistant chief engineer; O. W. Young, manufacturing manager; W. F. Hufstader, general sales manager; W. J. Brewer, director of purchases; I. L. Wiles, division controller, and W. N. Larke, assistant manufacturing manager.

MRS. WOFFORD RITES HERE WEDNESDAY

(From the Daily)

Mrs. Hallie Jones Wofford, prominent pioneer Texas woman and for many years a resident of Cameron, died in a Marlin hospital at 7:55 p. m. Monday, November 1.

Mrs. Wofford entered the Torbett Sanitarium in Marlin on Sunday, having suffered a heart attack at her home in Cameron. She was the mother of Nat Wofford of Cameron, widely known business man and Veterans Administration official here.

Mrs. Wofford was born in Calvert, Texas. When a young woman the family moved to Waco where she spent her early years. She was the daughter of the late Dr. and Mrs. D. C. Jones. She was married in Waco. Mrs. Wofford had been a resident of Cameron for the past 50 years.

Surviving are her only son, Nat Wofford of Cameron and relatives residing in Lexington, Texas and in California.

Mrs. Wofford attended Ward's Seminary in Nashville, Tennessee and Waco Female College in Waco. She was a member of the Episcopal Church in Cameron.

Funeral services were to be held Wednesday, November 3 at 3 p. m. from the chapel of the Marek-Burns Funeral Home in Cameron by Rev. James McKeown, Pastor of All Saints Episcopal Church, assisted by Rev. Lee Lemons, Pastor of First Methodist Church. Interment will be made in Oak Hill Cemetery with the Marek-Burns Funeral Home directing arrangements.

Active pallbearers will be Roy Epperson, Hayden Lawrence, George McGehee, John Henderson, Bismarck Horstmann, Jack Adams, Robert Pool and Claude Triggs.

Honorary Pallbearers will be men of All Saints Episcopal Church and men of the Mens Bible Class of First Methodist Church.

EXHIBITS ARE GOOD AND INTEREST HIGH

(From the Daily)

Central Texas Poultry Show opening in Cameron Friday was unusual from a number of standpoints. The exhibits were good and interest was high.

With good weather prevailing it was believed that the show might attract a record crowd since some 200 coops were in use for the aristo-crats of the poultry world and exhibitors taking a keen interest in the birds.

E. D. Parnell, Professor of Poultry Husbandry at Texas A&M College, judged the show. Awards were to be made on Saturday the closing day of the show, with a lot of judging Friday.

The show is being held in the Wilson Produce Company building where ample facilities were placed at the disposal of the Chamber of Commerce and the exhibitors.

Cash awards are not high but are numerous. There are a number of other prizes for the show including 25 subscriptions for the Cameron Herald given by the publisher.

Interest in poultry is on the upgrade here. The ultimate aim is a broiler production and the territory is well on the way to that undertaking.

Mr. and Mrs. Wix Thorpe of College Station and brother, Jack Thorpe spent the past week end in Cameron.

MILANO NEWS

A large crowd gathered at Milano school for the school carnival Thursday night, October 28. Main attraction was the coronation of the queen, Evelyn Yakash. Other attractions were fortune telling, house of horrors, Bingo and several other booths. Food and drinks of all kinds were served in the lunch room. The carnival was a grand success with plenty of fun and excitement.

Mrs. McBride and children of Harlingen were week end guests of her sister, Mrs. Mable Woods.

Several from Milano attended the homecoming at San Marcos Saturday. Arch Ford of Milano has moved to Cameron to make his home. He will be missed by his many friends in Milano.

Mr. and Mrs. Nick Brennan of Lexington were Sunday guests of his mother, Mrs. Bessie Brennan.

Mr. and Mrs. Lawrence of Rockdale attended the school carnival in Milano Thursday night. They visited in the home of their daughter, Mrs. Tony Beaves.

Mrs. Martha Baggett left Wednesday to visit her children in Dallas a few weeks.

Mrs. F. W. Iaames has returned from a visit to Alabama where she visited friends and relatives.

Miss Gertrude Jones, teacher at Thrall spent the week end at her home in Milano.

Mrs. Ida Howes has returned home from a visit with her daughters in Houston.

Mr. and Mrs. Hilliard left Tuesday to visit their son and wife at Robstown. Mr. Hilliard is on his vacation. Mrs. E. C. Smith of Sugarland is visiting her sisters, Mrs. Elam and Mrs. Baggett. Last week she fell on the stair way and suffered a broken arm.

Sunday visitors in the home of Mrs. Maggie were her two children from Cameron.

Mr. and Mrs. Roy Flemmings and children of Houston spent the past week end with her mother, Mrs. Bessie Brooks here.

FORMER RESIDENT IS INJURED IN ARKANSAS

Allen Griffin, former resident here, is in a hospital in Arkansas, in a critical condition as the result of injuries sustained there Saturday afternoon in a car crash.

News of the accident was received here by Bob Griffin, a brother and he left at once for Arkansas. It was said here that Mr. Griffin had suffered head injuries.

Mr. Griffin was a former bus driver for the Marlow School district. He has many friends here who will regret to know of his misfortune.

Accompanying Bob Griffin were Charles McDermott, Albert Griffin, and R. J. Woodum. They left Sunday afternoon. Albert Griffin will remain there with his brother.

Reports Tuesday indicated that the injured man had shown only slight improvement.

CONGRESSMAN WEST DEAD

Congressman Milton West died at his Brownsville home early today. Mr. West had been ill for a long period of time and declined to make the race again this summer.

Mrs. Hallie Wofford and son, Matt Wofford visited Mrs. Sadie Hefley Tuesday, who is a patient in a Bryan Hospital. Her many friends in Cameron will be glad to know that she is improving from a broken hip which she sustained in a fall at her home.

J. W. Sykes has returned to his home in Cameron after spending a month in Austin visiting his relatives. He will remain in Cameron now. He says he gets a bit lonesome for old friends and being crippled could not get about much in Austin.

Another Todd?

Gallopin' Glen Lippman is being compared with Dick Todd, Texas A&M's star back in other years. And no wonder—Glen has galloped to five touchdowns this year for the Farmer fish on runs of 90, 63, 54, 8 and one yards.

Glen Lippman is a brother of Henry F. Lippman, Cameron store owner and widely known citizen.

DRY NORTHER

Weather forecasts at noon Wednesday was for dry and cool. A dry norther was whipping across the panhandle country and increasing in velocity here.

Mr. and Mrs. Jimmy Raney of Houston spent a few days in Cameron the past week. Mr. Raney underwent a tonsil operation at St. Edwards Hospital Monday of the past week.

Miss Rosalie Ramsay Sorority Leader Here To Form Nu Phi Mu

Miss Rosalie Ramsay, International Representative of Nu Phi Mu Sorority, Kansas City, Missouri, has arrived in Cameron to complete details for a new chapter of Nu Phi Mu Sorority. The group is a junior affiliate of Beta Sigma Phi Sorority, of which Theta Psi Chapter is active in Cameron.

Beta Sigma Phi is one of the largest organizations of its kind in the world, with a membership of over 70,000. It has chapters in every state in the United States, every province in Canada, in Alaska, Hawaii, Mexico, Scotland, Ireland, England and Japan.

Nu Phi Mu, the junior group, has an international membership of 10,000, including chapters in every state and Canada. Mrs. Lynn Terry, lecturer and writer, and former international vice-president of Beta Sigma Phi, is the president of Nu Phi Mu. Nu Phi Mu is described by Miss Ramsay as "the character building type" of organization. Included in its program are hobbies, social activities, service work, cultural development, and development of charm and poise. Such important details as instruction in the use of cosmetics, hair styling, choice of clothing, physical exercise, and development of the voice are not overlooked.

Meetings of Nu Phi Mu will be held twice a month, at which time cultural topics, including art, music, drama and literature will be discussed. Occasionally guest speakers will appear. The strictly social side of the program includes outings, teas, formal and informal dinners and dances. Membership is by invitation only.

Miss Ramey just organized a new chapter of Nu Phi Mu in Temple.

Mr. and Mrs. Verna Sage of San Diego, California, and Miss Elizabeth Rischar of Corsicana, have concluded a few days visit here with relatives Miss Malchain Rischar, Mrs. Dan Legacy, and Ernest Rischar. Mr. and Mrs. Sage reported that they were so well pleased with Cameron and Texas, that they would make a return visit next year.

BELTON TIGERS TO BE HERE FRIDAY NIGHT

Their conference schedule 2 games away from the end, the Yoemen are getting ready for Belton here Friday night, November 5.

The conference season will end here November 12 against Rosebud, game that may decide the title. If the Yoemen win they will have won their District three time in a row. They won both of their Bi-District games against Fredericksburg but lost both of their regional games to Mart in 1946 and Mexia in 1947.

Just how the Yoemen will fare in the 1948 Bi-District and Regional may be well understood when they play Rosebud for the title in Cameron on November 12.

Reports indicate that the team is in good shape. Howard Beale, 195 pound fullback and the leading touchdown getter on the team, is complaining of a sore back. This may slow him up some, but he is expected to be in good shape for the Rosebud game if he gets by the Tiger claws Friday night here. John Moseley, half back, seemed some better and has played in every game, but still is limping some with an injured right knee. John Matula who got a bad knee bruise in the Brenham game has not been able to play. He was on the sidelines against Taylor and Killen and may not play against Belton.

Although Belton has had a bad season thus far the Tigers have not been too easy for any team. They lost

to Killen 8 to 0 and played the Taylor Ducks a bang up game.

No matter what the relative strength of the teams Cameron-Belton game is always one of intense interest to fans.

In the long run Belton has the edge for Cameron began playing Belton long before Districts were organized.

When they renew their play here at Yoemen Field Friday night older fans will recall the exasperating days when the Yoemen could never get a decision over the Tigers. That picture has changed materially in the past few years. Belton has not defeated Cameron since 1944 and then by a score of 12 to 7.

Here is a ten game record taken from the files of the Daily Herald:

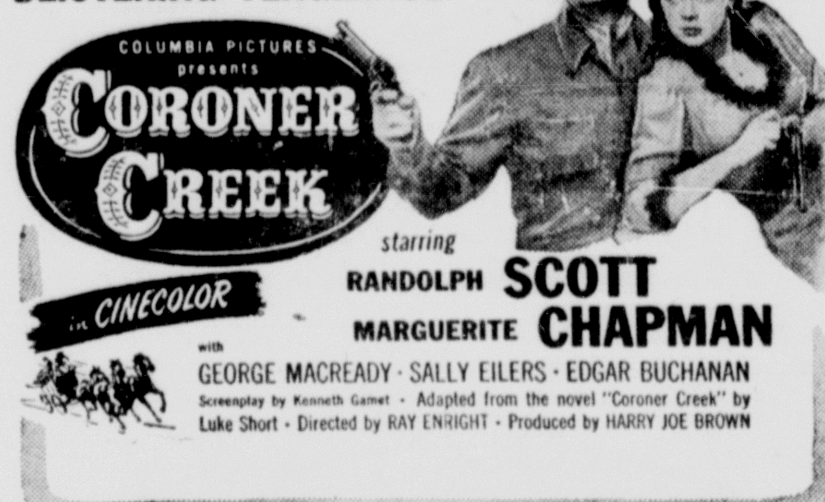

1939 Belton 20, Cameron 0; 1940 Belton 19, Cameron 14; 1941 Cameron 14, Belton 0; 1942 Belton 14, Cameron 13; 1943 Cameron 20, Belton 6; 1944 Belton 12, Cameron 7; 1945 Cameron 26, Belton 6; 1946 Cameron 45, Belton 6; 1947 Cameron 40, Belton 6.

Berry Caldwell has reported for military duty in San Antonio where he will begin the study of Radar, and will be transferred to Mississippi later. He is the son of Mr. and Mrs. B. C. Caldwell of Cameron.

Mr. and Mrs. W. E. Poteet of Temple were Monday afternoon guests of Rev. and Mrs. Lee Lemons of Cameron. Mr. Poteet was formerly principal of the Ada Henderson school of Cameron. He is now instructor at McCloskey Hospital in Temple.

Cotton Futures Turn Weaker

Cotton futures drifted lower Thursday under pressure of liquidation and hedging. Final prices were 45 to 85 cents a bale lower.

Suspension of further export authorizations by the ECA and pending completion of loan agreements with some Marshall Plan countries had an unsettling effect. Cotton exports prospects hinge largely on the ECA program. The foreign situation and Southern reports that some cotton will be offered cheaply because of congestion of warehouses led to some selling.

Hedge selling was light with the crop movement at its peak. Spot houses bought near-by December and March futures which was credited to both mill and export account.

Mrs. Lucy S. Whites of Belton was in Cameron this week and visited the Cameron Herald. Many years ago Mrs. Whites was employed with the Cameron Herald. In 1912 she married and moved away from Cameron. She lost her husband some time ago and is now making her home in Belton. Her friends welcome her visits.

FARM SURVEY PLANS SHAPING UP WELL

The Farm Conservation Project in Milam County is progressing rapidly. Committeemen have covered 170 farms to date, according to Alva E. Sanders, Administrative Officer.

Committeemen are now working the following divisions that make up the present Cameron Community.

George Bland, Salem Community; Gib Terry, Minerva Community; Walter C. Kohring, Yarrellton Community; Robert H. Glenn, old Cameron, Community and Frank J. Tomek, Elm Ridge Community.

CARD OF THANKS

We wish to express our sincere appreciation to Dr. Crump and our friends and neighbors who were so kind and helpful at the death of our loved one, Mrs. T. J. Wisoln. We want to thank the Marek-Burns Funeral Home for their help and kindness, and to all who sent flowers, messages or in any way assisted us, we are deeply grateful.

ISSUES INVOLVED IN POLL FAR REACHING

Seldom has a general election in Texas involved more in issues that affect the people and it was being urged from all sectors that the people turn out in maximum numbers on next Tuesday, November 2.

A notable effort is being made by motion picture exhibitors known as Allied. They have released for the theatres a film to bring the vote urge to patrons.

The people of Cameron should bear in mind the need for a full turn out. This applies also to the county as a whole.

Not only are the voters to elect officials from President to precinct officers but they face a choice on 8 constitutional amendments, all of which are bad to a degree, some wholly.

In 1896 there were 83 per cent of the potential vote cast. In 1916 that percentage had shrunk to 71 per cent and in 1944 down to 56 per cent.

In states where parties dominate the scene the apathy is more pronounced. Political competition may be the answer to this situation but in general the people should realize that a general election is the only one that counts.

Make your plans now. Get to the polls on Tuesday, November 2 and cast your vote.

"Husbands, Wives, and Marriage"

Maybe you read that survey published recently in a national magazine, entitled "Husbands, Wives, and Marriage."

It showed that among happily married couples, those who criticized themselves outnumbered those who criticized the other person. Among unhappily married couples, it was just the opposite—each one tended to criticize the other.

That's the way it is in our town, as I guess it is in yours. Criticism, whether it's of a wife's taste for hats, or a husband's taste for pipe tobacco and an evening glass of beer or ale, is a sure start towards unhappiness.

As for what made happy marriages, companionship within the home was listed most important of all. And from where I sit, a husband and wife who can spend an evening by the fire—with nothing more exciting than a mellow glass of beer, and a friendly conversation—are a truly well-matched couple!

LYNDON JOHNSON SAYS HIS WORRIES ARE OVER

JOHNSON CITY, Nov. 2—Lyndon Johnson, Democratic nominee for U. S. Senator, expressed belief here today that today's election will end his political worries for the next six years.

The 10th district congressman arrived in his hometown at 2:30 p. m. to cast his vote. He was accompanied by his wife, Lady Bird, and his mother, Mrs. Sam Johnson, Sr. He visited around town.

"I've had a tough fight the past two or three months—in fact, about five months," he told a group of men on the sidewalk in front of the post office.

Referring to Coke Stevenson's endorsement of Jack Porter, the Republican senatorial nominee, Johnson said: "When he came out and endorsed Porter, that was a bigger help for me than anything I could have done myself."

Johnson drove around town calling at people as he passed them and reminiscing about his childhood days.

Mrs. Albert Rose, a next-door neighbor of the Johnsons when the congressman was growing up, confided to reporters: "His mother is mainly responsible for his going so far. She's a mighty fine woman."

At another stop, Johnson's wife and mother encountered Scott Klett who taught Johnson in the eighth, ninth and tenth grades.

"Mr. Klett and I had to get our heads together on how to keep Lyndon quiet long enough for him to learn something," the congressman's mother recalled.

"Yes, we had a problem for a while but I think we did pretty well," Klett laughed.

Lady Bird Johnson told several people who asked the same question: "Don't think we weren't worried. It's been a very hard battle."

Johnson got around to voting late in the afternoon. He cast ballot 256 at Box No. 2 in the Pedernales Electric Cooperative building. Ordinarily he votes at the courthouse and had to be sent to the new balloting place.

Pointing to the cooperative headquarters, Johnson said, "now that's one of my pride and joys. The town gave the lot. We got the materials out of the hills, and the NYA boys built it."

Johnson was state administrator of the National Youth Administration prior to going to congress.

As Johnson entered the voting room, Assistant Election Judge L. R. Hardin asked: "Have you paid your poll tax?"

"Yep, but I might have charged it," replied Johnson jokingly.

Johnson's wife and mother had voted absentee.

They departed for Austin where Johnson and his wife planned to receive election returns at their home during the evening.

MARSHAL PLAN AIDE IN VIENNA SLAIN SUNDAY

VIENNA, Austria Oct. 31—the battered body of an American Marshal plan official was found early today in his abandoned automobile in the Soviet zone of Vienna.

The body was identified as that of Irving Ross, special assistant to Westmore Wilcox, chief of the Economic Cooperation Administration (ECA) mission here. His family was said to live in East Hardwick, Vt.

A girl companion, apparently thrown out of the car earlier, blamed the murder on four Russian soldiers, two of whom forced their way into Ross' car about midnight.

The girl is in a hospital suffering from a skull fracture.

American officials confirmed that the body of an American had been found but said they did not have details.

Ross was an employee of the Economic Cooperation Administration (ECA) here. Friends said he had been in Vienna about a year. There was nothing about his job, they said, to indicate any reason for his slaying.

The girl, Anna Sutkena, is an Austrian. She told police she and Ross were stopped by the four Russians near the south railway station in

the Soviet zone of Vienna. Two of the Russians forced their way into the car. When Ross resisted, she said, they beat him over the head with their rifle butts.

The girl jumped out of the car, but she was caught and beaten. Later she jumped again or was thrown from the car. She was found by Austrian police about 3 a. m.

Ross' car was abandoned in a field. It had the wheels removed and all wires cut.

YOEMEN GO BACK TO CONFERENCE PLAY

The Yoemen go back to their conference schedule here Friday night against Belton.

They were off schedule Friday night in a game with Rockdale.

The Belton Tigers have not won a game this year and are not expected to give Cameron any cause for worry. However, the boys were not overlooking a thing. They are playing the schedule and taking them in their stride.

All observers concede that the big, hard game of the year will be against Rosebud here on November 12. That game will decide the conference. The Yoemen are favored to win but not by a wide margin. It should be a close game considering the season record of the two teams.

The Rosebud Panthers defeated 31 to 12 Friday night in Killeen. That game also proves that there is something like equal strength between Cameron and Rosebud although

Cameron won over Killeen 40 to 13 but the Kangaroos managed two touchdowns off both teams.

Barring injuries the Yoemen should be in top shape when their crucial test comes November 12.

In the old days when Cameron and Belton played it was batten down the hatches but in recent years the Yoemen have stepped up their average with the Tigers and have outclassed Belton badly.

Drunk Drive Charge Brings Guilty Plea

Edward E. McCormick was arrested on Highway 77 Sunday night by local Highway Patrolmen and a charge of drunk driving was filed against him.

On a plea of guilty McCormick paid a fine of \$50 in County Court before Judge Dan Tyson.

Under the law a person found guilty of driving a car while drunk must surrender his license to drive. The fine of \$50 is the lowest that can be assessed in drunk driving cases.

CHRISTIAN SCIENCE SERVICES

"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 7.

The Golden Text is: "There went up a mist from the earth, and watered the whole face of the ground. And the Lord God formed man of the dust of the ground, and breathed into his nostrils and breath of life; and man became a living soul" (Genesis 2:6-7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Cease ye from man whose breath is in his nostrils and breath of life; and man accounted of?" (Isaiah 2:22).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We should look away from the opposite supposition that man is created materially, and turn our gaze to the spiritual record of creation, to that which should be engraved on the understanding and heart 'with the point of a diamond' and the pen of an angel" (page 521).

WITH TEXAS PLANTED TO RUST-RESISTANT WHEAT, THE MIGRATORY SPORES WHICH CAUSE THE RUST PROBLEM WILL HAVE NO PLACE TO SPEND THE WINTER.

GEE, GOVERNOR! IT'S FOR ME!

A MONUMENT HAS BEEN ERRECTED IN McFADDEN'S HOME TOWN, WEBSTER, N.D.

WORKING ALONE IN FIELDS FOR YEARS, HE CROSSED WILD EMERS WITH BREAD WHEATS, FINALLY DEVELOPED HOPE STRAIN - THEN AUSTIN AND OTHERS.

READERS DIGEST AWARDED HIM \$2,500 FOR HIS "EXCEPTIONALLY MERITORIOUS ACHIEVEMENT". FARM JOURNAL CALLED HIM THE "BURLBANK OF THE WHEAT FIELD".

HIS RESEARCH HAS INCREASED THE EARNINGS OF AMERICAN FARMERS BY MILLIONS!

Edgar S. McFadden, agronomist for the United States Department of Agriculture, stationed at the A. and M. College of Texas since 1935, is credited with having done more than any other living man to feed this hungry world. Breeder of the first rust-resistant bread wheat, named "Hope," he has made it possible to grow wheat on millions of acres throughout the world where it could not be successfully grown before. His discovery is authoritatively credited with having saved American farmers \$400,000,000 a year during the past war and with having furnished bread for 25,000,000 people who would have died of starvation. His "Austin" wheat now grows on more than a million Texas acres and his new "Seabreeze" variety is spreading throughout the Gulf Coast area rapidly.

WHAT MAKES AN AD PULL?

Paint an eye-catching picture . . . tell a compelling story about something that a lot of people need and want . . . and there's your answer! But . . . it takes sound merchandising experience to know what people need and want . . . it takes first-rate technique to draw the attractive picture and tell the interesting story. All these skills are incorporated in the STAMPS-CONHAIM Advertising Service . . . Service with the KNOWHOW to make an ad pull . . . that brings customers in and keeps them coming.
